

Dear Merchant,

The Northport Cow Harbor United Soccer Club is conducting its 20th annual Columbus Day tournament on October 11 and 12. We anticipate over 200 teams and more than 10,000 players, coaches and spectators to attend the event over the weekend.

We would like to ask your support by advertising in our tournament journal. Our families are regular patrons of your business and we very much appreciate your support in our fundraising effort. Over 1,200 copies of the journal will be distributed throughout the weekend, giving your business exposure to thousands of prospective customers!

Please review the attached ad form for rate and size information. Thank you in advance for your support of the NCHU Soccer club and all of its players!

Kindest regards.

NCHU Tournament Committee
