

Fall 2011 Keeper Training

NCHU Soccer is pleased to once again offer the Keeper Training Clinic, which will be provided by Skills Unlimited Soccer Academy (S.U.S.A), a local, professional training organization.

Keeper training allows players to get the specialized training they need in an educational and competitive environment. In addition to reviewing the basic techniques, keepers will continue to learn new ideas and techniques regarding all aspects of the position. The goal will be to develop the necessary skills and tactical understanding of the keeper position over the 8 week program.

Deadline to register is September 8, 2011. After that, there will be a wait list.
